The Seaglider operating software ("Software") has been developed by researchers at the University of Washington and made available through the University of Washington ("UW") for your internal research use.

UW and the Developers allow researchers at your institution, non-exclusively and at no cost, to run the Software on the following conditions:

1. The Software remains at your institution and is not published, distributed, or otherwise transferred or made available to other than institution employees and students involved in research.
2. Any risk associated with using the Software at your institution is with you and your institution. Software is experimental in nature and is made available as a research courtesy "AS IS," without obligation by UW or the University of Washington to provide accompanying services or support.
3. UW AND THE UNIVERSITY OF WASHINGTON, AND THE DEVELOPERS, EXPRESSLY DISCLAIM ANY AND ALL WARRANTIES REGARDING THE SOFTWARE, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES PERTAINING TO NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
